

Curbside Residential Recycle pickup services are provided by Greenland Waste Disposal Ltd. and the information inside of this pamphlet will help you to determine which materials are accepted for recycle and which are not accepted as recyclable materials in your household **blue bins**.

Recycle day is the 4th Tuesday of the month.

The Town of Big River would like to thank our residents for using the recycle program provided.

Your Blue Household Recycle Bin

Acceptable Recyclable Materials

- Paper and cardboard (please flatten cardboard)
- Newspaper, catalogues, and telephone books
- Shredded paper (separately bagged)
